Please complete supplementary questions 1 and 2.

The BSGA’s view is that all sign companies should be able to supply any type of sign to the required specification either by their own fabrication means for through a supplier. This list is intended to provide a more detailed inventory of sign types that allow sign companies to locate Associate members of the BSGA who specialise in these product types. This list will never be complete and we encourage Association members to inform us of any sign types not listed here.

2. Associate Members – Product Trade Names

The BSGA has also provision for a search on it’s website for product trade names. Associate members wishing to employ this facility should list the product trade names below (continuing on a separate sheet if necessary).

APPLICABLE TO ALL APPLICANTS

Information collected by the BSGA is usually Corporate related data but may include other information when needed to provide a service if required.

We use the information gathered here for the following purposes:

- To ensure our service is relevant to your needs.
- To deliver services, such as news, documents, events, surveys and other information, that are part of your membership or that you have purchased.
- To help us create and publish content most relevant to you.
- To alert you to new services, updated information and other membership information.
- To allow you access to limited-entry areas of our site as appropriate.

We occasionally hire other companies to provide limited services on our behalf, including specific member services that require specialist company involvement. We will only provide those companies the information they need to deliver the services to enhance your member service.

The BSGA abides by Data Protection Act regarding the collection, use, and retention of data.

When you register, or otherwise give us personal information, the BSGA will not share that information with third parties without your permission, other than for the limited exceptions already listed. It will only be used for the purposes stated above.

The BSGA may send out periodic e-mails informing you of new services or information related to your membership. You will not be able to choose to unsubscribe to these mailings, as they are considered an essential part of the service.
